A WARM WELCOME TO THIS YEAR'S FRINGE

...WITH A RANGE OF EVENTS RIGHT ON YOUR DOORSTEP

HELLO! 

NAOMI GODFREY
COMEDIAN

Here's the situation. Chichester is an amazing city with a rich arts heritage and a lot to shout about when it comes to producing and sharing great quality theatre, music and more. But now, more than ever, there's a need to make it more accessible for up-and-coming (and seasoned!) performers to share their creativity with new audiences to enjoy. **Enter Chichester Fringe.**

We exist to support and promote local artists and arts venues. Our mission is to break down barriers for performers, enabling them to showcase their work.

Between 31st May and 15th June 2024, we're bringing a bucket load of fantastic new and existing shows to your doorstep. From Jacobean plays and brand new musicals, to singer-songwriter original sets and cabaret. Poetry to stand up comedy, live podcast recordings to drag - we really have it all this year! **Buy tickets online** or just turn up - we can't wait to see you there.
